

## Packaging

Hairstylist shears should be wrapped in tissue or bubble wrap, placed in a shear mailer or in a small, crush proof box, preferably in their factory case. Larger shears should be wrapped in newspaper, cardboard, or bubble wrap.

Care should be used to ensure that scissors do not move ***at all*** during shipment. Movement can damage expensive items and possibly injure package handlers. All packing material will be re-used when your items are re-shipped to you for the sake of the environment

Include name\*, address\*, daytime phone number\* and e-mail address\* with any sharpening notes before sealing.

We recommend using USPS. We strongly recommend that you insure your package for 100% of the new retail value of its contents. Perfect Edge IS NOT RESPONSIBLE FOR UNINSURED PACKAGES.
